

EFFECTIVELY TRANSITIONING AT RETIREMENT OR AGE 65 MEDICARE PLANNING.

SCAN ME

Take the mystery out of Medicare.
Trust the Experts.

Are you or your clients new to Medicare or retiring soon?

It's important to find a trusted Medicare resource at age 65 and upon retirement. Emerald Medicare can help you navigate the challenging government rules, confusing information, & hype.

- **How and when do I sign up for Medicare? At 65 or Retiring?**
- *What are Medicare Parts A, B, C and D?*
- **What do I need to know before leaving my company group or retiree plan?**
- *How does IRMAA affect my Part B & D premiums?*
- **What is supplemental coverage and why do I need it?**
- *How much will my prescriptions cost?*
- **Do I have deadlines to enroll?**
- *Can I defer Medicare Part B?*
